Tehran/28th November/2017

Subject: The 11th international Conference on Strategic Management

Uman National University of Horticulture

Dear Sir / Madam

The 11th International conference on Strategic Management, organized by the Iran strategic management Society, which will be held in the Iranian national library congress center, Tehran on **March 6th, and 7th 2018**.

We would like to inform you that the conference will be held in cooperation with national and international organizations and institutes from different countries like England, Poland, South Korea, Netherlands, Australia, Republic of China and etc...

Therefore, with due attention to importance, of this event in Iran Strategic Management area and also the importance of collaboration of international authentic universities and institutes, we send you a framework for collaboration.

Please consider the following requests and inform us within two weeks:

- 1) Could you please inform us to have permission (in a letter format) for putting the logo of *West Uman National University of Horticulture* as scientific - spiritual supporter on the conference's banners and brochures.
- 2) Would you please introduce up your representative for membership in the Conference Policy Council.
- 3) Would you please introduce up your interested faculty members for membership in the conference scientific committee.
 - A) In this part, if your team members interested to travel to Iran their cost of accommodation is at the conference responsibility.
 - B) We will send 3 article for the essay distance arbitration.
 - C) We will send official certificate for them.
- 4) Would you please publish the essay invitation text through official *Uman National University of Horticulture* website.

Sincerely,

Forough Naderi
Director of International Relations
